

# NEW PATIENT INFORMATION HANDOUT

Our Parramatta rooms are located at 152 Marsden Street, Parramatta, 2150.

There is a 5 minute patient drop off/pick up zone at the front of the building for your convenience, however you will need to find suitable street parking nearby. We have many convenient car parks across the Parramatta CBD where we are close to. We are a 5min walk from Parramatta Westfield and you can also catch Bus 700, 705, , 708, 711, 712 which stops here as well. The closest car park to us is Wilsons parking on Hunter street. Please park responsibly.

## PREPARATION

What to bring to your appointment:

- Current Referral
- Medicare Card and any Centrelink pension or healthcare card
- List of Medication
- Any glasses for driving and/or reading

You should allow  
2-3 hours for your  
appointment

We accept EFTPOS, VISA, MasterCard, Cash or cheque. Payments are made after consultation with doctor

## CHECKING IN AND SCREENING

When you arrive at the clinic, please have your documents and cards ready for reception to scan into the system.

You will then take a seat and an orthoptist will call you in for screening. This is where your vision and medical history will be checked and you will be prepared for your consultation with the doctor

Any scans or tests that will help with diagnosis will be done after this. You will be quoted for any extra tests

## DILATION

You might be dilated, which will temporarily blur your vision

This will last a few hours so we recommend bringing a hat and sunglasses

We do not recommend driving after dilation, please arrange for someone to accompany you on the day

## IMAGING AND FURTHER TESTS

Additional images which can aide in diagnosis of eye conditions may include:

- OCT
- Visual Field
- Retinal Photos
- Cataract Measurement
- Corneal Topography

## DOCTOR CONSULTATION

After all testing is done, you will be greeted by the doctor and your consult will begin.

After this is done, you will be asked to come back to reception to finalize payment and book future appointments
