

Any Concerns?

Have you got any questions or concerns about your surgery?

Please use the call bell or call our nurse for HELP.

R

You (or in the person you care for), may **RECOGNISE** a worry you have or have a question about your surgery.

E

ENGAGE (talk) to your nurse or doctor. Tell them your concerns.

A

ASK the nurse to contact the Surgeon or Anaesthetist to come and speak with you about your concern.

C

We CARE about your needs, just speak with us.

H

Don't hesitate reaching out and asking for HELP. We are here to HELP.
